WHO WE ARE

EST. SYDNEY

All Building & Property Services is a full-service property maintenance and remedial construction company, with a team bringing **over 20 years of combined experience** across the residential, strata and commercial sectors.

Our purpose is to simplify property maintenance by providing a single, reliable platform for every trade — from leak identification and resolution, make-good and electrical work, through to complex remedial construction.

WE ARE COMMITTED TO

- Delivering consistently high-quality workmanship on every job.
- Cost-effective, transparent service — **no hidden costs.**
- 24/7 emergency service coverage across Sydney.
- Fully licensed, insured and compliant building practice.
